Create a new transaction

What the YAML? (YAML Ain't Markup Language)

```yaml
txn04/09/201819:00:
- Santosh
- name: Loafs of Bread
  quantity: 2
  rate: 3
  subtotal: 6
- name: Peanut Butter
  quantity: 3
  rate: 4
  subtotal: 5
```

```json
{"txn04/09/201819:00":
["Santosh",
{
name: "Loafs of Bread",
quantity: 2,
rate: 3,
subtotal: 6,
},
{
name: "Peanut Butter",
quantity: 3,
rate: 4,
```
