What the YAML? (YAML Ain't Markup Language)

```
txn04/09/201819:00:

- Santosh

- name: Loafs of Bread
 quantity: 2
 rate: 3
 subtotal: 6
- name: Peanut Butter
 quantity: 3
 rate: 4
 subtotal: 5
```

```
{"txn04/09/201819:00":
 ["Santosh",
  {
    name: "Loafs of Bread",
    quantity: 2,
    rate: 3,
    subtotal: 6,
  },
  {
    name: "Peanut Butter",
    quantity: 3,
    rate: 4,
```
